KIPP LEGACY IS A VILLAGE:

LOVE, EXCELLENCE, AND COMMUNITY AT THE CENTER

WHERE EVERY CHILD IS KNOWN

At KIPP Legacy, love is a daily practice — proactive, restorative, and embedded into every classroom routine. Our educators build relationships through affirmation and restorative repair, ensuring every student is seen, valued, and empowered to grow.

FAMILIES ARE PARTNERS, NOT GUESTS

KIPP Legacy positions families as partners. Through home visits, family forums, multilingual communication, and a dedicated family resource center, we build deep partnership with families.

ONE VILLAGE, K-8

KIPP Legacy Elementary and KIPP Legacy Middle schools are united by a shared culture rooted in love, community/communitas, and excellence — and a deep commitment to Liberty City's identity. Together, we are one campus, one community, and one mission: to love, challenge, and empower every scholar to leave their mark.

Why Choose KIPP Legacy Elementary and Middle for Your Child?

KIPP Legacy is where everything above comes to life — every day, across every grade, for every family. We are a K-8 village rooted in Liberty City, built on the belief that when children are loved, challenged, and connected to their community, there is no limit to the mark they can leave on the world.
